

About Jenny Lee Designs

I started making jewelry in 2006. As a fan of the Green Bay Packers, I wanted a unique, affordable bracelet to show support for my favorite team. I didn't branch out from the Packers bracelets until June of 2008, after my dear friend Cheri was diagnosed with cervical cancer. I wanted to find something to show our support for her during her courageous battle, as well as bring awareness to the disease. So I began making bracelets, earrings, key chains, bookmarks and pins for cervical cancer awareness, adding special purple bead -- Cheri's favorite color.

I made a number of these items for Cheri's friends and family. I was having so much fun, I started making other items for myself. I joked with Cheri that she'd created a monster --- this "beading thing" was starting to become a very expensive hobby. So, I decided to start making other jewelry I could sell to help "support my habit". And, here we are --

Jenny Lee Designs in-home jewelry parties.

Unlike jewelry from retail stores, catalogs or other home shows, Jenny Lee Designs jewelry is all hand crafted. As a result, most items are one-of-a-kind creations. I strive to make unique pieces that are both beautiful and affordable. In fact, most Jenny Lee Designs jewelry is priced at \$20 or less!

Why host a Jenny Lee Designs Jewelry Party?

Just for hosting a party, you will receive a \$20 credit toward your party purchase — that's like getting a free necklace or bracelet!

For every \$100 in purchases at your party, you'll receive an additional \$10 toward any Jenny Lee Designs item.

Happiness is not in the mere possession of money; it lies in the joy of achievement, in the thrill of the creative effort.

~ Franklin D. Roosevelt

I can customize most designs at the party — be it a different clasp or ear wires, or adjusting the length. In addition, if you or your guests see a design you like, but the colors aren't quite right, we can work together to create a piece that's just the way you want it — right at the party!

Creativity is contagious. Pass it on.

~ Albert Einstein

If you and your guests are feeling crafty and up for a little bead-venture, you can learn to make a pair of earrings or a single strand bracelet. Just pay the cost of the materials, ranging from \$5 to \$10. You'll even get to pick the beads!

Creativity is a type of learning process where the teacher and pupil are located in the same individual.
